Fitch Ratings is currently seeking a **Market Research Associate/Senior Market Research Associate** based in our New York office. See above link to apply.

Jersey City / NYC: [RWJBarnabas Health](#) is hiring an **investment analyst**. If interested email resume to todd.elfman@rwjbh.org

Investment Analyst

Investment Analyst is a junior level position within the Investment Office reporting to the Chief Investment Officer. An Investment Analyst serves as a generalist member of the team who will support the CIO and senior investment professionals. An Investment Analyst is integral to the management of System assets and to fulfilling the Office's overall responsibilities. An Investment Analyst must be a passionate investor, strong team player, and a self-starter. He or she must demonstrate an interest in the non-profit sector and an innate sense of responsibility when representing RWJBarnabas Health. An Investment Analyst supports the CIO and senior investment professionals in developing and implementing investment strategy and risk management frameworks across asset classes. The Investment Analyst is responsible for analytics and documentation related to the selection, monitoring, and oversight of the System's external investment managers.

Job Title:* **EV Charging Sales Representative**

Location: Monsey or Five Towns

Salary: Salary/Draw+Commission

Description:

A fast-growing EV charging company seeks high-energy sales talent to drive new commercial property partnerships and replace outdated chargers.

Responsibilities:

- Cold call and prospect multifamily, hotel, and office properties for new installs and rip-and-replace opportunities.
- Build strong networking relationships within property portfolios.
- Use CRM and similar tools for lead sourcing and scheduling site visits.

Qualifications:

- Personable, driven, and strong at relationship building.
- Hustle mentality with proactive outreach habits.
- Confidence in cold calling and territory management.
- Sales experience preferred but not required.
